

## E- Safety

Dear Parents/ carers

The online world is integral to how children stay in touch with their friends and access to the internet is now available like never before. However, there are inherent risks associated with new technologies and it is essential for young people and their parents / carers to understand how to reduce these risks. The Child Exploitation and Online Protection (CEOP) Centre is the UK's national child protection agency.

We are giving parents and carers the opportunity to attend a session on Tuesday 10<sup>th</sup> February. The session will last approximately 45 minutes.

The content of the sessions will include:

- an introduction into why CEOP is important,
- a power point presentation and video.

This session is **not** appropriate for children to attend due to the content. If you would like to attend the session, please complete the consent form below and return to the office by Friday 16<sup>th</sup> January.

Yours sincerely

Striving Success Team
