

What an amazing half term we have had, look at all our amazing learning!

We were interested in fire fighters, we read lots of information books and found out about them. We made our own fire engine and we enjoyed pretending to be firefighters! We had a visit from a real fire engine!

We have enjoyed using the natural resources to make our own towns.

We loved show and tell and talking about our precious things with our friends. We even had stick insects visiting too!

We have learnt about harvests, farms and looked at lots of different vegetables. We counted out the seeds from the Butternut Squash!

We have enjoyed using ICT in the form of i-pads and the programmable Bee-bots.

We have counted out natural objects. We have been working on counting and recognising numbers and adding groups together.

Autumn
1

We have had an amazing first half term at Western. Next half term we will be learning about Bonfire Night, Space, Christmas and lots more...

Dates for your diary next term...
