

Dear Parents,

A big thank you to everyone who has supported our sponsored reading event aimed at raising money to help us improve resources for guided reading. Many children have already started bringing money into school and we are hoping to achieve an impressive total. It would be very helpful if all sponsor money could be in by Friday 21<sup>st</sup> November. Children should bring money or cheques in a sealed envelope with their name on and the words 'sponsored read'.

I believe that most sponsors have offered the children a flat rate but, for those who have sponsored by the minute, there is a table below which shows the minutes devoted to the sponsored read last week by year group.

Many thanks,

Tim Broad  
Deputy Head
