

Use of Sports Funding 2013-2014				
	Activity	Aim	Amount	Impact
1	Hiring specialist PE coaches to work with the staff when teaching PE.	The provision of high quality sports teaching for all pupils from Y2-Y6.	£13,491 for Autumn & Spring Terms	Greater range of provision and alternative sporting activities. Positive impact of a male role model especially for KS1 and for boys. Smaller groups for lessons which has enabled more focused teaching. Better adult to child ratios has enabled Y5/6 to use Valley Gardens enabling a greater range of sports being taught. Improved behaviour and attendance
2	Supporting and engaging least active children through new or additional change for life clubs.	The greater awareness amongst pupils of obesity, smoking and drugs and the effect these can have on health.	£400	
3	Paying for professional development opportunities for teachers in PE/sport.	Ensuring teaching staff are skilled and confident in the teaching of sport/PE.	£500	Increase in staff confidence resulting in greater provision of after school clubs.
4	Providing cover to release primary teachers for professional development in PE/sport.	Ensuring all staff can access high quality training in the teaching of sport and PE.	£1000	Increase in staff confidence resulting in greater provision of after school clubs.
5	Buying into the local sports partnership to access competitive sporting opportunities.	The provision of opportunities for children to take part in competitive event.	£1095 for Autumn & Spring Terms	Improvement in partnership work with other schools and local partners. Improved access to competitive opportunities.
6	Buying flexible furniture for the canteen.	Enabling the canteen to be utilised as a venue for PE in poor weather.	£6000	No lessons missed which has ensured better coverage of the curriculum and greater impact on fitness.
