

Dear Parent/Carer

Do you know anyone interested in a career in Teaching?

As a partner within the Red Kite Alliance, our school supports an excellent school-led pathway to train new teachers. Newly accredited as a school centred training provider, Red Kite Teacher Training offer innovative primary and secondary courses, delivered extensively by school-led practitioners, building on our track record of supporting and bringing new, talented teachers into the profession.

We are now recruiting for our training courses commencing in September 2016 and we would be very interested to hear from you if you are thinking of becoming a teacher, or know someone who is. Whether you are a recently qualified graduate (or soon will be) or whether you are considering a career change, we are looking for people who have (or will have) a degree, have a passion for teaching and want to inspire young people to fulfil their potential.

Some benefits of our one year training programme include:

- Being in school from day one at the very start of term
- A supportive and personalised development programme
- Training led by outstanding practising teachers
- Excellent placement schools
- Qualified Teacher Status (QTS) awarded by Red Kite Teacher Training
- PGCE awarded by the University of Leeds upon completion of modules providing 60 Masters credits
- 100% of our previous qualified trainees who applied for teaching posts found employment, many within our alliance of schools.
- Up to £30,000 tax-free bursaries and scholarships are available while you train for certain subjects

For information about our available places, the qualification and entry requirements, bursaries and scholarships, please visit our website www.redkitealliance.co.uk/teacher_training. For general information visit www.education.gov.uk/get-into-teaching. If you would like support and guidance on your application or would like to arrange taster days through our school experience programme please contact the Red Kite Teacher Training team at redkitealliance@harrogategrammar.co.uk

Graduates of our Red Kite Teacher Training programmes will be confident, passionate, knowledgeable and reflective teachers, ready to embark on a rewarding and fulfilling career, hopefully taking up positions that arise within our partnership of schools.

We very much look forward to hearing from you.

Yours sincerely

C Smith
