

Before and After School Care

We have spaces in both our breakfast and after school clubs.

Breakfast club opens from 7.30 a.m.

After school club opens from 3.15 p.m. – 6.30 p.m.

If you wish to book any after school sessions, please ask the office or nursery staff for a form to complete. We require at least 24 hours notice for after school bookings. If you have an urgent need, please don't hesitate to speak with your class teacher.

Our before and after school early years care is staffed by experienced school staff. The care is based in the early years classrooms and the equipment provided is suitable for children of this age. The children also have access to our early years outdoor area. We feel that children benefit from being in this safe, familiar environment at this age. Please see Mrs Magill if you have any questions, require further information or if you have a specific requirement we are not currently offering.
