

Classlist

Western Primary School is now using Classlist as a tool to communicate with parents throughout the whole school.

Classlist provides a 'closed community', enabling teachers and parents to communicate directly with each other within a safe environment. The app. is free to use, and we are offering this form of communication to all parents in early years. Teachers will add links and post key information for your convenience.

In early years, parents and carers already enjoy using the 'Tapestry' application, and we hope Classlist will offer an extension to providing school related communication in a quick and easy manner.

This project was launched to parents in Year 2 in September 2016 and 75% of parents registered within two weeks. The response to date has been very positive and we are keen to encourage all parents of all children in early years to register.

You only need to register once and you will be automatically registered with your child's teacher as they move throughout the school.

FREQUENTLY ASKED QUESTIONS

Q: How do I register?

A: Please go to www.schoolclasslist.com, and follow the 5 steps

Q: Is there a quick tour I can view before I register?

A: <http://schoolclasslist.neckelled.co/60-second-tour>
