

At Western we use an online learning journal called Tapestry to record photos, observations and comments, in line with the Early Years Foundation Stage curriculum, to build up a record of your child's experiences during their time with us. This system allows us to work with parents and carers to share information and record the children's play and learning inside and outside the classroom.

Tapestry allows us to share some of these observations and moments with you. Please ensure that you have completed the Tapestry permission letter. Spare copies of the letter are in the early years reception entrance. Please ask a member of staff should you require a copy.

A Tapestry app can be downloaded to smartphones and i-pads which gives parents easy access to their child's learning journal and also allows parents to upload their own pictures to contribute to the children's learning record.

If you have forgotten your password or have not used it for a while, please speak to Mrs Staines or Mrs Sutton for the password to be reset.
