Commitment from Parents

In order to be able to organise our provision and staffing arrangements, we need a definite commitment from parents as to their requirement. This can only be done on a termly basis using our booking form which is a legal contract. **Payments must be made at the beginning of each half term.** By agreeing to care for your child we are undertaking a financial commitment and if your child does not attend the session we will still make a charge. In exceptional circumstances, i.e. bereavement or a long term illness extending beyond a week, we will not charge parents for those sessions.

Once a booking has been made for a term, this commitment must be honoured and any cancellation will be subject to the fees for that half term. If parents continue to use the service after the period covered by their application form, they will be taken to have accepted that the same conditions apply for each subsequent term unless a change is agreed in writing.

Late Payments

As stated above, parents must pay in advance. **Payments must be made by the end of the first week of each half term.** We have the right to refuse to accept a child until debts are cleared.

Late Collection of Children

Except in the unlikely event of an emergency, if you are late collecting your child from a session, we will charge a late collection fee at a premium rate in order to cover the staffing costs we will incur.
