

Dear parent/guardian,

Please find the timetable for w/c 18.1.21 below.

Thank you so much to all parents and carers for the support you are giving your children with their home learning. We know this is not easy for anyone and if you feel you need any additional support please do not hesitate to contact one of the team through Classlist or on the year group email address ([year5\\_6@western.n-yorks.sch.uk](mailto:year5_6@western.n-yorks.sch.uk)).

All zoom codes are at the bottom of this letter. Remember, there may also be day to day changes with regards to who is delivering the Zoom lessons as circumstances for teachers may change. We will update you on these as and when changes are made through the group on Showbie. The group code is 56KNE. It is named '2021 Daily updates to remote learning during closure'. Please join this group as soon as possible. **All teachers will be available to zoom their own classes this week. However, Mrs Brooke and Miss Riddle will be zooming while in school so please keep an eye on Showbie for any last minute changes of plan!**

#### **E- safety**

Continue to ensure your child understands to:

- 1) Always use trusted websites
- 2) Take breaks from being online.
- 3) Remember what they see online is not always real.
- 4) If they see something they do not like – tell an adult.

We thank you for all your support,

Year 5/6 Teachers
