

Dear parent/guardian,

Please find the timetable for this week below.

All zoom codes are at the bottom of this letter. Remember, there may also be day to day changes with regards to who is delivering the Zoom lessons as circumstances for teachers may change. We will update you on these as and when changes are made through the group on Showbie. It is named '2021 Daily updates to remote learning during closure'. Please join this group as soon as possible. **One teacher will be in school each week. You must check to see which teacher you will need to zoom if your class/maths teacher is the teacher in school.**

We expect you to begin your school day at 9am (see timetable for your morning learning).

**English zooms will begin at 9:30 Monday-Thursday:** You will join your class teacher for your English zoom each morning (Mrs Howes' class will zoom Mrs Sadowski on a Monday). NB. There is no live zoom lesson on a Friday morning but there will be work set. Please see the timetable below for more details.

**Maths zoom will begin at 11:30 every day:** 5QQS will be released prior to this; we expect you to complete the 5QQs before the zoom lesson begins. You will join your own maths teacher for your maths zoom (remember to check the showbie group to make sure your maths teacher isn't the adult in school!) Mrs Howes' maths group please join Mrs Sadowski's zoom on a Monday and Mrs Howes's zoom Tuesday-Friday. Mrs Tilson's maths class will zoom her as normal.

**Friday afternoon:** Join one of the Year 5/6 team at 1:45 on zoom to listen to a short story.

**Every afternoon:** We will expect you to start your afternoon learning at 1:30. See timetable for your directed activities- it may start with Reading Plus.

Each afternoon there will be a different lesson set for you by your class teacher. See the timetable for further details. We expect you to complete this work to the best of your ability as you would if you were in school. The afternoon work will be unlocked at 1:30.

You will find all your work for each lesson on Showbie in a folder named 'Home Learning Week...' in your usual class or maths class folders.

**Mrs Brooke will be in school this week so Mrs Brooke's class will need to zoom Mrs Howes for English. Mrs Brooke's maths group will need to zoom Miss Riddle for maths.**

Have a look on Showbie first to get some ideas.</p>   |

Use the Zoom code that is attached to your teacher or maths teacher to dial into each session as appropriate at the given time.

If you have any queries or questions then email [year5\\_6@western.n-yorks.sch.uk](mailto:year5_6@western.n-yorks.sch.uk) and one of the teaching team will get back to you between the hours of 9 and 3:30.

We thank you for all your support,

Year 5/6 Teachers
