

Dear parent/guardian,

Please find the timetable for w/c 11.1.21 below.

All zoom codes are at the bottom of this letter. Remember, there may also be day to day changes with regards to who is delivering the Zoom lessons as circumstances for teachers may change. We will update you on these as and when changes are made through the group on Showbie. The group code is 56KNE. It is named '2021 Daily updates to remote learning during closure'. Please join this group as soon as possible. **All teachers will be available to zoom their own classes this week. However, Mrs Brooke and Miss Riddle will be zooming while in school so please keep an eye on Showbie for any last minute changes of plan!**

We expect you to begin your school day at 9am (see timetable for your morning learning).

**English zooms will begin at 9:30 Monday-Friday:** You will join your class teacher for your English zoom each morning (Mrs Howes' class will zoom Mrs Sadowski on a Monday).

**Maths zoom will begin at 11:30 every day:** 5QQS will be released prior to this; we expect you to complete the 5QQs before the zoom lesson begins. You will join your own maths teacher for your maths zoom. Mrs Howes' maths group please join Mrs Sadowski's zoom on a Monday and Mrs Howes's zoom Tuesday-Friday. Mrs Tilson's maths class will zoom her as normal.

**Every afternoon:** We will expect you to start your afternoon learning at 1:30. See timetable for your directed activities- it may start with Reading Plus.

Each afternoon there will be a different lesson set for you by your class teacher. See the timetable for further details. We expect you to complete this work to the best of your ability as you would if you were in school. The afternoon work will be unlocked at 1:30.

You will find all your work for each lesson on Showbie in a folder named 'Home Learning Week 2' in your usual class or maths class folders.

**All children will zoom their usual class teacher and maths teacher this week!**

	9-9:30	9:30 English	11:30 Maths	1:30-2	2pm Afternoon
