

Dear parent/guardian,

Please find the timetable for w/c 8.2.21 below.

Thank you so much to all parents and carers for the support you are giving your children with their home learning. We know this is not easy for anyone and if you feel you need any additional support please do not hesitate to contact one of the team through Classlist or on the year group email address ([year5\\_6@western.n-yorks.sch.uk](mailto:year5_6@western.n-yorks.sch.uk)).

All zoom codes are at the bottom of this letter. Remember, there may also be day to day changes with regards to who is delivering the Zoom lessons as circumstances for teachers may change. We will update you on these as and when changes are made through the group on Showbie. The group code is 56KNE. It is named '2021 Daily updates to remote learning during closure'. Please join this group as soon as possible.

Please could we ask all parents to remind their children of the protocol for zoom lessons (below). Just in this last week we have had children joining zooms from their beds, while playing with dolls, kicking footballs around their rooms and even with their pets!

#### Code of Conduct for Zoom Lessons

- Make sure you are on time for scheduled lessons
- Make sure your screen name is your actual name (First name and surname. No emojis!)
- Make sure your camera is switched on and you can be seen on screen at all times.
- Make sure you are prepared to learn (ie you have everything you need with you and you are somewhere where you are able to concentrate)
- Make sure you are appropriately dressed for a lesson (no nightwear)
- If you are unable to attend a scheduled lesson, send an email to the year group email account to let us know
- Virtual backgrounds can be used as long as they are appropriate and not a distraction from the learning (ie do not change them during a lesson).
- Remember that we are all trying to learn. Do not try to distract anyone else by waving, making silly faces etc
- If you are asked to use the chat function, make sure you use this appropriately.
- Use the raise hand feature if you would like to speak to your teacher.
- Do not write on the Zoom whiteboard unless your teacher asks you to do so
- Please do not leave the lesson until you are told to do so.

**E- safety**

Continue to ensure your child

- 1) Uses trusted websites
- 2) Takes breaks from being online
- 3) Remembers what you see online is not always real
- 4) To tell an adult if they see something they do not like

We thank you for all your support,

Year 5/6 Teachers
