

## Useful Dates

Unfortunately, due to Covid-19, many of our usual events will not be held this term. At this moment in time we are unable to invite parents and carers into the school building to attend shows and see the children's classrooms as we would usually. We appreciate your patience and understanding with this matter.

## Overview of Learning

Welcome to the Nursery Classes!

We would like to offer a warm hello to all the new and returning parents and children.

The first half term in nursery is about settling into school life and establishing rules and routines. The children will find school days tiring at first as they adjust to the changes of our busy day. Our focus as staff is really getting to know your children and finding out what they know and can do.

We will be finding out what the children are interested in and taking our learning forward based on their fascinations. We will be finding out about our families and homes. We will keep you posted on where our learning adventure takes us next! If you have any questions about our learning, please do not hesitate to speak to a member of the Early Years team.
