Our Learning Summer

Overview of this term's learning in Turquoise Room

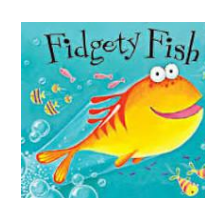

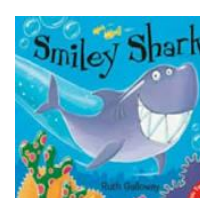

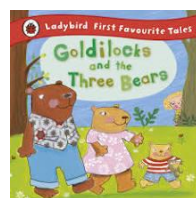

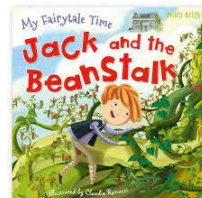

Welcome back after the Easter break. This half term we will be learning about Fairytales. We will be sharing lots of well-loved tales with the children. We have created a castle for the children to dress up and play in to encourage language development and imaginative play.

After half term we will be learning about Under the Sea. The children will look at lots of sea creatures and share lots of stories.

If you have any questions or comments regarding your child, please do not hesitate to contact a member of the team.
