Our Learning Summer

Overview of this term's learning in Purple and Green Room

Welcome back after the Easter break. This half term we will be learning about Fairytales. We will be sharing lots of well-loved tales with the children. We will be looking at the structure of the stories, identifying the main characters and developing our ability to retell stories as well as make up our own.

After half term we will be learning about Under the Sea. The children will look at lots of sea creatures and continue to share lots of stories.

We will also be continuing to develop our subitizing skills and number sense, along with daily activities to strengthen our fine motor skills.

If you have any questions or comments regarding your child, please do not hesitate to contact a member of the team.
