Overview of Autumn Term

Welcome back everyone! During the first half term, we will be answering the question 'Who am I and where do I come from?' The first few weeks have focused on settling the children back into our routines and ensuring that they are all happy. We are so happy to see how well they have adapted to their new classes and are very impressed with their attitude towards their learning. During this topic, we will be exploring how our bodies work, identifying people who help us and learning about a healthy, balanced diet. We will also talk about our families and celebrate different families around us.

In the second half term, we will be answering the question 'What is so special about London?' The children will find out about London and the capital cities across the United Kingdom. They will learn about Bonfire Night and Guy Fawkes' famous gunpowder plot. We will discover landmarks across London and replicate some of the most famous landmarks in DT. As part of our Geography lessons, we will compare Harrogate and the Yorkshire Dales with London. Key Stage One will finish the autumn term with two exciting weeks learning about Christmas, which will be full of fun!
